

**INVITATION FOR BIDS
CITY OF NORFOLK – DEPARTMENT OF UTILITIES**

Project: **PUMP STATION 15 SERVICE AREA, PHASE II, BUCKMAN, MARLOW,
AND ORANGE AVENUES, SEWER AND WATER UPGRADES**

Sealed bids are to be received in City of Norfolk, Department of Utilities, Attn: Director's Office, 400 Granby Street, 2nd Floor, Norfolk, VA 23510 until **3:00 p.m. Tuesday, September 18, 2012** for the above titled Project.

The Work under this Project consists of the replacement of water and sewer on Orange, St. George, Buckman, Marlow, and Belgrave Avenues and Sloane Street and all designated roadway repairs as shown on the plans entitled Pump Station No. 15 Service Area, Phase II, Buckman, Marlow, and Orange Avenues, Sewer and Water Upgrades.

A PRE-BID CONFERENCE will be held on Tuesday, August 28, 2012, at 10:00 a.m. local time at 400 Granby Street, 2nd floor, Norfolk, VA 23510. The conference is non-mandatory but highly encouraged.

The City of Norfolk is participating in the Virginia Clean Water Revolving Loan Fund (VCWRLF) to assist in the funding of this project. It is therefore necessary that the successful bidder be aware of the requirements established by the EPA. Refer to the Instructions to Bidders and Section 110 - Special Provisions for details of these requirements.

View the full Invitation For Bids at the Department of Utilities (757-664-6701), on the City of Norfolk's web site, http://www.norfolk.gov/Utilities/engineer/rfps_and_bids.asp, on DemandStar web site, <http://www.demandstar.com>, in the local office of Builders and Contractors Exchange, Inc. (757-858-0680) and the Virginia Minority Supplier Development Council (757-823-4587). **Associated Bidding Documents are open to inspection and available for purchase (\$50.00, Checks or Money Orders only)**, as conditioned in the full Invitation for Bids, at the Department of Utilities, 400 Granby Street, 2nd Floor. Non-local bidders, interested in obtaining these documents, should contact Azizi Parker at (757-664-6767) or Azizi.Parker@norfolk.gov. For additional information concerning this project, please contact Kevin Frederick at 757 664-6734.
